Dear Washington High School Class of 2020,

In the fall of 2009 you moved into the “new” Cherry Hill building as second graders. With that move you became the first class that will eventually attend all four of the new buildings in our school district.

As I reflect on your class, many of the memories that you and your families share come to mind. These would include events and accomplishments in the realms of athletic performances and championships, musical shows and concerts, art projects and awards, and academic successes and triumphs. Though you have many unique characteristics and diverse interests, you have formed many positive relationships with your teachers, your classmates and other students throughout the building. You are truly a fun group of students that have provided all of us with many enjoyable moments.

Many of you are pursuing post-secondary education, some are headed for military service, and others are becoming contributing members of our community’s workforce. Whether you are doing one of these or something else, I trust that the work ethic you have developed, the interpersonal skills you have honed, and the content knowledge you have gained will serve you well.

As your final days of being students come to a close and your years of being Washington High School alumni begin, we hope that you will always cherish your days in the Washington Court House City School system.

Congratulations seniors!

Sincerely,

Mr. Rose

Dear Miami Trace Class of 2020,

When this year began, there is no way we could have predicted this ending. Many of you were looking forward to your last nine weeks as a student at Miami Trace High School. Unfortunately, the Coronavirus had other plans. While this has been less than ideal, we know that happier days are on the horizon. The joy and excitement you have felt in accomplishing the goals which were set over the past 12 years, pales in comparison to the joy and excitement you will feel as a grown person living out your dreams in the world.

We want to thank you for what you have done to leave your indelible mark upon our school, and want to encourage, support and have hopefully prepared you to make an even larger mark on our society.

As we reflect on your class, it would be a mistake if we didn’t acknowledge the contributions of your parents and grandparents. Please take the time to thank them for all they have done for you.

You will always be a Panther. We invite you to return and visit with us often. You are a great class with much success not only as individuals, but also as a whole. I wish you well in your future endeavors.

Sincerely,

Robert Enochs

Dear Fayette Christian Class of 2020,

Four years ago, you began your high school career, and I began my career as principal at Fayette Christian. We have spent the past four years learning our respective lessons and responsibilities. We have made memories together and separately. I enjoyed the year I taught you English (probably more than you enjoyed my teaching it). I've cheered you on in your many endeavors both in and out of school. Each of you has been a blessing to me, and I hope in some way I have been an encouragement to you.

The end of your high school days came to a screeching halt in March, and you have had to detour and bypass many things you were looking forward to. I know this has brought you disappointment and sadness, and maybe anger and frustration.

I am reminded of Joseph in the book of Genesis. He too had dreams and aspirations that were suddenly taken from him. But as the story unfolds, we learn that those dreams, in God’s timing and plan, came to a greater result that Joseph ever imagined. Proverbs 13:12 states, “Hope deferred makes the heart sick [sad], but when the desire comes, it is a tree of life [a great blessing].”

When we give God our greatest expectations, He will give us His greatest blessings. My prayer for each of you as you graduate and leave FCS is that you will continually give your hopes, your dreams, and your greatest expectations to God, and allow Him then to give you His greatest joy, peace, and contentment.

With wishes for God’s best,
Larry Fitch
Fayette Christian Principal

Congratulations Class of 2020

While this was not the year many of us expected, Southern State is ready to assist YOU through this unprecedented time. Maybe you have changed your mind about plans previously mad or are undecided about what comes next. Don’t let COVID-19 interrupt your degree plans. Stay on track by taking a class or two with us this summer and get ahead. Southern State is very proud of your accomplishments. Always remember that we are in this TOGETHER!

Summer Semester begins May 26 | Fall Semester begins August 24

Why Choose Southern State?
Our technical degrees and certificates emphasize real-world skills, while our transfer degrees provide a solid academic foundation—connecting you to your goal of a fulfilling career or an advanced degree. Transfer your credits and SAVE precious dollars.

How much will it cost me?
Our tuition is among the lowest in Ohio. We can connect you with the financial resources to help fund your education. Current graduating seniors can take up to six credit hours FREE this summer! Apply at www.sscc.edu/admissions/index.shtml.

Does Southern State offer the classes I need for my major?
Search through our list of academic programs at www.sscc.edu/academics/programs/index.shtml. If we don’t offer the specific degree you are looking for, take prerequisite courses that your specific major requires and transfer those credits.

How do I get started?
Enroll NOW! Submit the FREE admission application online at sssc.edu/admissions/apply.shtml. Once accepted, you will receive a Welcome Letter that includes a handy checklist telling you everything you will need to do prior to the next semester start date.
