

Crestline Restart – Fall 2020

Due to the uncertainty of COVID-19 testing, contact tracing and vaccination availability, our school operation will most likely not return to normal. The levels represent the district status at any given time based on the impact of the pandemic in our community. We will be prepared to move to any of these levels on a day by day basis, with a clear structure and plan for each level and the subcategories which impact building operation. For reference, here is the [CDC Considerations for Schools](#) link as well as the [COVID-19 Health and Prevention Guidance for Ohio K-12 Schools](#) document:

Our main objective will continue to focus around creating a learning and work environment in which we ensure the safety of students and staff.

Description of Access Levels:

Level Yellow (Ohio Public Health Advisory Level 1): 100% return to school in the physical building and classrooms. Masks required for adults. Masks** required for all students in grades 3 and older. Masks recommended for all other students.

Level Orange (Ohio Public Health Advisory Level 2): 100% return to school in the physical building and classrooms. Masks required for adults. Masks** required for all students in grades 3 and older. Masks recommended for all other students.

Level Red (Ohio Public Health Advisory Level 3): 100% return to school in the physical building and classrooms. Masks required for adults. Masks required for all students. NOTE: At this level, the Superintendent has discretion to move to a Hybrid Remote Learning Model: 50% capacity in the buildings following all of the guidance in the CDC and ODE guidance with alternative schedules.

Level Purple (Ohio Public Health Advisory Level 4): 100% Remote/Alternative/Distance learning.

Potential Factors Determining Movement between Levels:

- Changes to "[Ohio COVID-19 Risk Level Guidelines for the Public](#)" for Crawford and surrounding counties.
- Community outbreak
- Health Director/Statewide order
- High-risk population
- Other factors TBD

Prevention Practices:

- Tracking procedure for students and staff (contact tracing)
- Daily health assessment
- It is required that all staff wear face masks/face shields
- It is recommended that all students wear face masks/face shield unless not medically viable.
- Physical distancing
- Hygiene practices
- Clean and sanitize

Mitigation Practices:

- [Process for addressing a positive/probable case in school building.](#)
- [Exposure to COVID-19 outside of school \(contacts of positive/probable cases\)](#)
- Criteria and conditions that need to be met before returning to school after a quarantine
- Additional precautions in the event of a wave of cases
- Counseling

** Mask requirements will be adjusted according to the State of Ohio Department of Health and Governor requirements.

****Level Red Hybrid Remote Learning Model Limited Student Attendance Schedule**

High School/Middle School Session - 7:30 - 2:20 PM

PreK/Elementary Session - 8:30 - 3:00 PM

The district will be divided into "Quads" to ensure students of the same family attend the same days. Quads are outlined on the next two pages of this document.

Monday - Quad1/Quad 3

Tuesday - Quad 2/Quad 4

Wednesday - No School for Students/PD/Remote Learning/ Deep Cleaning & Sanitization of Building

Thursday - Quad 1/Quad 3

Friday - Quad 2/Quad 4

Open enrolled students will be in attendance two days a week, as assigned by district and building administration.

**** At the discretion of the Superintendent.**

Quad 1 (North of W. Main; West of N. Seltzer at W. Main; West of St Rt. 61 at Oldfield Rd.)

Quad 2 (East of N. Seltzer at E. Main; North of E. Main; East of St. Rt. 61 at Oldfield Rd./Beam Rd.)

Quad 3 (South of W. Main at N. Thoman; West of N. Thoman; West of St. Rt. 61 south of Middletown Rd.)

Quad 4 (East of N.Thoman St; South of East Main; East of St. Rt. 61 south of Middletown Rd.)

Sub Categories Plan for Each Level

Each area of district operations will have a specific set of agreed-upon functions within each safety level. All communication regarding the district's status will come from the Superintendent's office. The district safety level will be determined by consultation with local and state health departments as well as the health of students and staff.
